Education

Kalinga Institute of Industrial Technology (KIIT) , Bhubaneswar Bachelor of Technology in Computer Science and Engineering Minor in Generative AI and Machine Learning (IIT Patna - Intellipaat) <i>Pursuing</i>	2023 – 2027
Bardhaman Bidyarthi Bhaban High School Senior Secondary (79.2%)	2022
Burdwan Municipal High School Secondary (76.7%)	2020

Projects

End-to-End Fake News Detection System <i>Python, Scikit-learn, Django REST Framework, JavaScript, TF-IDF, Logistic Regression</i> - Developing an end-to-end fake news detection system using NLP, Django REST API, and a Chrome Extension. - Implementing TF-IDF vectorization with Logistic Regression for real-time news classification. - Integrating REST APIs for browser-to-backend inference with secure CORS communication.	NLP + Full Stack AI (In Progress)
PCOS Early Risk Prediction System <i>Python, Scikit-learn, FastAPI, Pandas, SMOTE</i> - Built an ML pipeline for early PCOS prediction achieving ROC-AUC of 0.96 and 97% recall. - Preprocessed and merged 3500+ healthcare records with feature engineering and SMOTE. - Developed a FastAPI backend and integrated it with a Flutter application.	ML + API
AI Scam Honeypot System <i>Python, FastAPI, Regex</i> - Built a honeypot system to detect and engage scam messages using multi-signal analysis - Implemented keyword-based detection and extracted UPI IDs, URLs, and phone numbers - Designed session-based multi-turn interaction and risk tracking mechanism	AI System

Technical Skills

Languages: Python, Java, C, C++, SQL

Frameworks & Libraries: FastAPI, REST APIs, Scikit-learn, Pandas, NumPy

Databases: MySQL, PostgreSQL

Tools & Developer Platforms: Git, GitHub, VS Code, PyCharm, Jupyter Notebook, Google Colab

Core Competencies: Data Structures and Algorithms (DSA), DBMS, Operating Systems, Computer Networks

Specializations: Machine Learning, Natural Language Processing (NLP), Data Analysis, Data Visualization

Certifications

- IBM Data Analyst Professional Certificate (In Progress)
- Google Data Analytics Professional Certificate (In Progress)
- SAP Technology Consultant Professional Certificate (In Progress)
- Mastering Data Structures and Algorithms using C/C++ – Abdul Bari
- The Ultimate MySQL Bootcamp – Colt Steele
